15 Sir,

This paper is filed simultaneously with an Appeal Brief and has been prepared in accordance with the procedure recommended in MPEP 1207.

20 In the Reply to the Office Action mailed March 26, 2003 (which was a final rejection), Applicants requested amendment of claims 1, 15, 20 and 29, and the addition of new claims 32 and 33. The "standard form" paragraph 2 on page 1 of the Advisory Action mailed June 13, 2003, states that the proposed amendments would not be entered because they raise new issues. Paragraph 1 on page 2 of the Advisory Action 25 gives reasons why the new claims 32 and 33 raise new issues, but does not comment on the proposed amendments to claims 1, 15, 20 and 29. In telephone conversations between the Examiner and the undersigned on July 8 and 22, 2003, the Examiner maintains the refusal to enter the proposed amendments to claims 1, 15, 20 and 29, but did not give any reason why those amendments were not allowable.
